

INVEST IN OUR CHILDREN'S FUTURE

CT
CHILD
TAX CREDIT

Jabron is a client at The Village, a member of the CT Child Tax Credit Coalition.

Create a fully refundable CT Child Tax Credit.

- Returning money to parents enables them to provide their children with essential items that are not covered by other programs or services.
- Every \$1 invested in child tax credits generates \$1.38 in spending, a powerful boost to our economy (Moody's Analytics).
- Connecticut is the only state with a personal income tax that does not adjust to help families with the cost of raising children.

"It's about time that CT starts taking care of working families who keep this economy running. As a single mom who has a decent paying full-time job, I am still living paycheck to paycheck." – Parent in Farmington

BY THE NUMBERS

- How many families would benefit from a CT Child Tax Credit in your town? Explore our interactive map to find out!
- The number of households with children in Connecticut has been declining (down 10% from 2010 to 2022).
- Among households with children, 91% of Latino, 88% of Black, 68% of White, and 65% of Asian families will qualify for a CT Child Tax Credit.
- In a recent poll, 73% of Connecticut residents supported a CT Child Tax Credit, even if they are not raising children.
